

Moorea Round Double Chaise

MOO-G2PC3

The Moorea Round Double Chaise is a versatile and comfortable chaise. The headrests can incline from four different areas, so that two sunbathers are able to face one another. This chaise has an umbrella portal in the middle of the bed to create a place in the shade. The elegant lines of the frame's construction maximize seating space and define sitting areas with grace and style. The broader flatweave of this wicker is set off by faux-teak accents and contrasting, corded-edge details. The Moorea Collection is fancy without being fussy.
